

Pre-K

Ages 4-5

Children will develop kindergarten readiness skills and self-confidence as they are exposed to math concepts, beginning writing skills, number and letter recognition. Pre-K Plus Classes will focus on math concepts and activities. Classroom curriculum is themed based using learning centers, arts & crafts, circle time, stories, singing, role playing, and large motor skill activities. Children must be able to take care of their own bathroom needs. Children bring a snack and juice to class. Children will also go on field trips. Children must be 4 yr. by Sept. 1, 2014.
